

# DAVIS VISION: BENEFITS YOU CAN SEE

Eye health plays a big role in full-body wellness. That's why we've partnered with Davis Vision to make eye care more affordable.

Thanks to this partnership, United Concordia members can get discounted eye exams, lenses, frames and other eyewear options at more than 35,000 locations nationwide.

## Benefits Include:

- Industry's only FREE breakage warranty (12 months)
- Versant Health Hearing Savings plan—Provides members access to hearing care professionals and savings up to 60% off retail.
- Laser Vision Correction—Save up to 25% off usual and customary fees or 5% off a center's advertised special, through our network of preeminent physicians affiliated with Eye Centers of Excellence.

## How it Works

Just visit a participating vision provider, then present your discount card with control code to receive special pricing. (Complete and cut out the card on this sheet). If your current health plan already includes vision benefits, visit a network provider for the exam, then use a Davis Vision contracted provider for eyewear purchases. (Please verify that the eyewear provider accepts outside prescriptions prior to the appointment.)
