ACH Direct Deposit via payroll	Automated Clearing House network transaction. This is a reliable and efficient nationwide batch- oriented electronic funds transfer system governed by NACHA OPERATING RULES which provide for the interbank clearing of electronic payments for participating depository financial institutions. The Federal Reserve and Electronic Payments Network act as ACH Operators, central-clearing facilities through which financial institutions transmit or receive ACH entries. Content and format for each of these components is very specific and must follow predefined formats to be valid. <b>SEE</b> <b>OPTUMHEALTHBANK "CONTRIBUTION ADMISTRATIVE GUIDE FOR THE HSA PRODUCT" FOR</b> <b>DETAILS.</b>				
Combined Sum ACH	Electronic Combined Sum ACH contributions to an HSA account is a simple, two-part process. The first step consists of sending an electronic contribution file detailing the specific employee accounts and the dollar amounts that are to be deposited. The second step is to send an ACH to OptumHealthBank for the total amount. Content and format for each of these components is very specific and must follow predefined formats to be valid. SEE OPTUMHEALTHBANK "CONTRIBUTION ADMISTRATIVE GUIDE FOR THE HSA PRODUCT" FOR DETAILS.
