

Underwriting Requirements

Employer groups of
2-4 eligible employees: 100% enrollment required

Groups of
5+ eligible employees: 75% enrollment required

Note: Employee waivers due to spousal or other dental coverage
count towards eligibility percentage requirement.

Case Submissions

For an effective date of the 1st of the month, applications and premium
must be received by our office by the **15th of the month prior**.

Please be sure to submit a **group application, employee application, dependent student certification** (if applicable), any required **tax documentation** for the business and enrolling employees, and a **case submission** coversheet that properly identifies you and your agency (for prompt commission payment).
